

DLF's Rs 4 Crore Luxury Homes Found Many Takers

22 March 2010 google.com

Realty major, DLF has sold three-fourths of its expensive flats in central Delhi at Rs 4 crore each within two days of launch. This is a sign that demand for such properties is alive and well despite the drift towards affordable housing. The company had launched the third and final phase of 150 flats - each measuring 3,000 sq ft or more - of Capital Greens near Moti Nagar last week.
